Colors displayed on this color card are a guide only and have been matched as close as possible to Interpon production standards under daylight conditions. Due to the nature of the printing process some degree of color and gloss level variation may occur. Where more than one finish is available product color may vary. We recommend that you use production line prepared samples for final color selection or approval.

Colorbond® and the Colorbond color names are registered trademarks of Bluescope Steel Limited.

* When Applied by and Interpon D Gold Approved Applicator T&C's apply, please refer to your Interpon Specification representative.
